

## “PHIBROWS”

The pre-calculated microblading service, “PhiBrows” is now available at the salon.

“Symmetry is achieved through PhiBrows application and it is calculated. Strokes are always drawn in the direction of natural hairs’ growth to achieve hyper-realistic look,” says the specialist.

On average, expected time until a new colour refreshment is between 10 and 12 months. With oily skin it is up to six months. An artist guarantee and post treatment brochure is available online.

Consultation with Mirena Stancheva is recommended.

Also available at the salon is the Lash Lift system.

## “BODY LOGIC”

The two beauty specialists have opened a new salon.

“As Valentine's day approaches think of spoiling your loved ones or yourselves to one of our many treatments. Treat your skin with love and care,” says Rowina Borg.

Providing various beauty services and treatments, such as His and Her facials, beauty brands available at the salon include Elemis, Mary Cohr and Thalion, “A precious oil for a precious skin,” adds Alexia Borg.

Salon is located in Naxxar.

## “SHAKTI”

Local hand-crafted “natural” perfumes are now available.

“I combine and mix a variety of essential oils together, to create an original scent,” says Thea Axisa, the maker.

Perfumes are made from 100 percent pure essential oils then diluted. Stored in an amber roller tip bottle to preserve longer and be protected from the sunlight. All perfumes come in a pouch.

Suitable for women and for men.

Scents can be customized. Top scents include citrus, minty, floral, woody and sweet.

## “KHADI”

Made in India, the “Ayurvedic” hair care products by Khadi Natural are now available.

“All natural. Improves elasticity of hair and many more benefits. The richness of the organic ingredients allows the oil to soak deep into the root of the hair follicle to strengthen it,” says Roberto Abela.

Products are manufactured under the guidance of Ayurveda Doctors and made up of herbal active ingredients, formulated from organically grown plant extracts. Products are ISO, WHO and GMP certified.

Handmade, anti-dandruff, paraben free, not tested on animals, the hair care range includes hair oils, shampoos and conditioners and can be found at the store located in Ta' L-Ibragg.

## “ACQUA ALLE ROSE”

Formulated in Italy in 1867 by a herbalist, “Acqua alle Rose” is available at the salon.

“Facial skin care line consisting of 95 percent natural ingredients with purely distilled water and the essence of noble roses, for a glowing and revitalised skin,” says a rep.

Beauty specialist, Christine Gauci Grech adds, “We offer a vast range of treatments in a friendly and relaxing environment.”

Found at the salon located in Birkirkara.

Also available at the salon are spa packages and gift certificates.

## “AT-HOME” PEEL

The new “Rapid Resurfacing” Peel by Dr. Murad is available for at-home use.

“Vitamin C enhances radiance and evens skin tone. Glycolic Acid instantly retexturizes skin,” says the skin care specialist.

Dr. Murad revolutionized anti-aging skincare with breakthrough Glycolic Acid technologies. Today, Glycolic Acid is a gold standard for exfoliation.

Suitable to reduce fine lines, wrinkles, pigmentation, acne scars, open pores.

Situated in the centre of Naxxar, next to the parish church, clinic and spa is open Tuesday to Friday 9am to 7pm, Saturday 9am to 3pm.
