

“VINTAGE” CASIO

Newly arrived at the jeweller is the “Vintage” collection by Casio.

“Timepiece that never goes out of style, combines style with features Casio is known for such as an EL backlight and a 1/100th second stopwatch. Perfect complement to any outfit,” says a rep.

Established in 1987, the family-run shop offers a vast range of jewellery and “strives to maintain top quality and latest fashion products,” says the specialist.

Shop is located in Mellieha.

“SIMPLICITE”

Odourless PolyDip system called “Simplicité” is now available at the salon.

“Unique light cured technology is faster than a traditional dip service and keeps nails strong, healthy and beautiful without having a thick layer of gel,” says Stephanie Hili.

Based in Santa Lucia, the nail care specialist is available by appointment.

“Pleasure in the job puts perfection in the work.”

“BOTTEGA VERDE”

Specializing in natural active ingredients, “Bottega Verde” now open in Paola.

“More than 300 natural active ingredients that are part of the precious heritage behind the cosmetics,” says Anneliese Attard.

Founded in the Tuscan countryside by a herbalist in 1972, the brand offers makeup, skin care, body care, hair care, baby products, perfumes, as well as, a men's care line including Barberia Toscana.

Also open at Daniel's Shopping Complex in Hamrun, as well as, in Sliema, Valletta, Mosta and now at Main Street Shopping Complex in Paola.

For information, contact:

Bottega Verde on 2709 9173

“LUCY”

Stocking a variety of brands, the cosmetic shop is now open in Sliema.

“For the adventurous thrill seeking to experiment,” says Anna Ryan.

Brands include Parisax, Max Factor, Essence, Maybelline, Revlon, Rimmel, Anny, Gosh, Golden Rose and L'Oreal.

Makeup application and consultation service is available.

Soon available will be a new nail bar offering nail care services.

Located at the Plaza Shopping Complex in Sliema.

“NOTE”

Note, a “mineral-based” makeup range can now be found at the salon.

“Your face is what makes you, so look after yours and smile as it's the prettiest thing you can wear,” says Sharon Borg.

Infused with botanicals, Note is paraben-free, non-comedogenic, dermatologically tested. Suitable for all skin types.

Free computer skin analysis is also available, “with our Reveal Imager to see beneath the surface and discover your skin's true condition.”

Situated in Naxxar, open Tuesday to Friday 9am to 7pm, Saturday 9am to 3pm.

“FAYE”

The beauty specialist opened her own salon in San Gwann.

Using Environ products, she says, “Super moisturizer may be used alone or as an add on to your Avst cream for added hydration during the cold winter months.”

For problematic skin from the B Active range, as shown, “Sebuwash cleanser contains tea tree properties, known to actively heal acne from the inside out.”

Facials, nail care, waxing and spray tanning services are also offered.
