

“LEE STAFFORD”

Created by celebrity hairdresser, “Lee Stafford” collection is available.

“Packed full of iconic and innovative products, some of which have been with us since the beginning,” says Lee.

Collection consists of hair care and styling products for blonde, frizz, protection, growth, repair, straight, curls and volume.

Brand offers a transparency policy providing a product ingredients list online, “We are all about things working and doing exactly what they say on the bottle.”

Ask your hair care specialist for details.

“GAZED”

Independent artists offer “planet-friendly” streetwear collection.

“Gazed combines eco-lifestyle and independent local art by using original ideas and bringing them to life on an everyday outfit,” says Daria Zoe Dąbrowska.

Other artists include Magdalena Kalbarczyk, Artur Kwasik, Joanna Stańczak, Blanka Bartosova and Lisa Falzon.

Art on tees, hoddies, bags and jackets offer second-hand, upcycled, organic 100 percent cotton, water based ink, Fairtrade certified and compostable packaging.

Lookbook is available along with online shopping.

Size chart, washing instructions and certifications list is found online.
