“OWAY”

Salon hair care brand offers “Nurturing” drops.
 “Split end sealing protective serum. Nourishes and seals dry, damaged ends, protecting them from heat sources,” says a rep.
 Made by Oway to give hair a shiny appearance.
 Apply a small amount of product to the ends.
 Can be used on dry or damp hair.
 Product does not contain parabens, synthetic fragrances, phthalates, EDTA or GMOs.
 All packaged in no plastic materials, only in glass and aluminum, and completely recyclable.
 Ask your hair care specialist for details.

“NISHMAN”

Range of “NishMan” grooming products available.
 “Face mask peel off to clean and nourish face from blackheads. For any info on products don’t hesitate to text or call me,” says Justin Grech.
 Products by the Istanbul brand include hair care, beard care and skin care.
 Newly opened barber shop situated in Mtarfa also offers cut, shave, face mask, eyebrows and nose hair trimming and blow-dry service.
 Reminder to check opening hours and procedures.
 Early morning appointments and loyalty card is available.
