“SVEN’S ISLAND”

Skin care brand “updates” with new logo and packaging.

“Products that soothe, heal and protect without the use of harmful chemicals. Every ingredient we use comes from a plant,” says a rep.

Each contains unique New Zealand extracts which are grown and hand harvested on a remote island off the coast of New Zealand.

Sven’s Island ranges include Miracle Manuka, Barefoot Balsam, Skin Dip, Fresh Face, Spotless and Bubba Calm for babies.

Ask your pharmacy or supermarket for details.

“HELIODERM”

Sun care product is available “fragrance free”.

“Designed for hypersensitive skin intolerant to sun and perfume. Ideal to use when undergoing dermatological or medication treatment to prevent photodermatoses or photosensitization,” says a rep.

Sunscreen with SPF 50+ is fragrance free, non-greasy and waterproof.

Suitable for adults and children over six months.

Range by Greek-based Castalia is now available.

Dermatological tested with clinical studies done in Greece and abroad.

Ask your pharmacy or skin care specialist for details.
