

## “CREP”

Sneaker care range of “Crep” Protect is available.

“Creates an invisible coating which repels liquids and prevents stains on your sneakers,” says a rep.

Super-hydrophobic spray is easy to apply and quick to dry.

Does not affect material or colour of sneakers.

Wipes and travel kit also available.

Found at leading sport shops.

## “BABY-G”

Range of women’s sport watches “Baby-G” is available.

“Glittering gold metal parts on the faces create the image of light reflecting from sea glass for designs that are perfectly suited for summertime beach wear,” says a rep.

Made by Casio, based on G-Shock, the tough watch created never to break.

Shock resistant, 100 meter water resistant with LED backlight.

Active woman’s watch is available in various colours.

Found at stores located across Malta.

Reminder to check the opening hours and procedures.
