

“OJO”

Sunglasses specialist offers “optician” services.

“Latest polarized and optical technology, so as to ensure that our sunglasses are not only fashionable and trendy, but are optically protective from the sun’s rays,” says a rep.

All styles provide 100 percent UVA and UVB 400nm protection.

Collection of over 450 styles of sunglasses and prescription glasses for women, men and junior.

Service available in Mosta.

Stores located in Valletta, Mosta and Sliema.

Reminder to check the opening hours and procedures.

“HERBAL STAMP”

Swiss-born therapist offers “Herbal Stamp” massage therapy.

“Unplug yourself from the outside world into a world of rest and relaxation. Experience and professional skills in alternative healing,” says Prisca Pfaendler.

Based on traditional Far Eastern methods, cotton bags filled with warm selected herbs are moved across the body with varying intensity and motion to relax, purify and promote blood circulation.

Centre is located in Santa Lucija in Gozo.

Accommodation with outdoor pool is also provided on-site.

Reminder to check the opening hours and procedures.

“SUN’S GOOD”

Collection of “Italian” brand eye wear now available.

“Simplicity and elegance. It’s the details that make the difference. Choose to bring only one eyeglass and sunglasses with you,” says a rep.

Optical frames with Zeiss sun lenses are available in various colours and styles.

Brands include Borbonese, Snob Milano, Genny, La Martina, Sun’s Good folding glasses, as shown above, polarized lenses and Laura Biagiotti, including their Bioplastic range.

Made in Italy.

Range for women and men.

Ask at your optical shop.

“ICE POPS”

Locally made “dairy-free” ice cream now in-stores.

“Summer’s finally here, so we went all out on our Ice Pop flavours,” says John Winfield.

Flavours include Peanut Butter, Salted Caramel or Coconut.

Made vegan and gluten-free.

Outlets located in Gzira, Pama and Piazzetta, new location to open soon.

Reminder to check the opening hours and procedures.
